

NORMAN'S TRUCK AND TRAILER REPAIR INC

CAPABILITY STATEMENT

COMPANY OVERVIEW

Norman Trucks and Trailer Repair is a premier diesel mechanic company specializing in the maintenance and repair of trucks and trailers. With a commitment to excellence and a focus on delivering high-quality service, we are dedicated to ensuring the optimal performance and reliability of your commercial vehicles

COMPETENCIES

Diesel Engine Diagnostics and Repair: Performance tuning, troubleshooting, and overhauls.

Preventive Maintenance: Comprehensive preventive maintenance services to keep trucks and trailers running smoothly, including oil changes, filter replacements, and system inspections.

Brake Systems: Full-service brake repair and maintenance, including pad replacement, rotor resurfacing, and brake line repairs to ensure safety and performance.

Transmission Services: Reliable transmission repairs and rebuilds for manual and automatic transmissions.

Suspension and Steering: Expert repair and maintenance of suspension and steering systems.

Electrical System Services: Troubleshooting and repair of electrical systems.

Custom Fabrication: Custom metal fabrication and welding services for modifications and repairs.

Emergency Roadside Assistance: Rapid response emergency services to address unexpected breakdowns and minimize downtime.

MISSION

At Norman Trucks and Trailer Repair, our mission is to deliver top-tier diesel mechanic services with integrity, expertise, and efficiency. We are dedicated to ensuring the reliable performance and safety of our clients' trucks and trailers through exceptional repair and maintenance solutions. By leveraging advanced technology, skilled craftsmanship, and a customer-first approach, we aim to build lasting relationships and support the success of every vehicle owner we serve.

WE SERVE AND DELIVER

30+ YEARS OF EXPERIENCE
